

# SALS

## SIMPLE ACCURATE LEVELLING SYSTEM

SALS IS A SIMPLE AND EFFECTIVE SOLUTION TO GET A PERFECT TILE  
INSTALLATION EVERY TIME, ELIMINATING LIPPAGE AND SURFACE SCRATCHING

SALS is a Simple Accurate Leveling System for superior wall & floor tile installations. The system will ensure a more precise, **fast installation** eliminating lippage, the unwanted uneven joints between tiles, minimising shrinkage issues and virtually **eliminating any tile surface marks and scratches.**

A reuseable and reversible cap with **adjustable tension** and the non-marking **protective washer** make easy work of large format and rectified tiling installations.

**YOUR COMPLETE SOLUTION FOR THE  
PERFECT TILING JOB!**
